February 2018 Lunch Menu

NUTRITION NEWS: February is Heart Healthy Month! The heart is one of the most important organs in the body, on average beating 60-100 times per minute, so it's important to keep it healthy! Eating well-balanced meals that include a combination of whole grains, lean proteins, fruits, vegetables, and low-fat dairy will help keep your heart healthy! Physical activity is also important because it helps lower blood pressure and helps our bodies control stress. Set a goal to be physically active at least 60 minutes per day!

All meals are served with the Vegetable of the Day and/or a selection from Mac's Veggie Patch, Fruit of the Day and Low Fat Milk Choice
