June 2017 Lunch Menu

Healthy Meals Grow Healthy Kids!

Mac's Nutrition News

June is National Dairy Month!

Dairy foods help keep our bodies healthy by providing us with nine essential nutrients such as calcium and vitamin D. Vitamin D helps our bodies absorb calcium. Did you know, our bodies can make vitamin D from exposure to sunlight! Calcium and vitamin D make our bones and teeth strong! Aim for three servings of dairy a day (milk, yogurt, or cheese). *Don't forget to select a cold low-fat milk with your lunch!*

All Meals are Served with the Vegetable of the Day and/or a selection from Mac's Veggie Patch. Fruit of the Day and Low Fat Milk Choice
